Dependents

Eligible dependents under this plan shall include:

- (a) Your spouse, legal or common-law.
- (b) Your unmarried children under age 21, or under age 25 if they are full time students.

Note: If you are a Quebec resident, full time students are covered for prescription drug benefits until age 26.

Children under age 21 are not covered if they are working more than 30 hours a week, unless they are full time students.

Children who are incapable of supporting themselves because of physical or mental disorder are covered without age limit if the disorder begins before they turn 21, or while they are students under 25, and the disorder has been continuous since that time.
